

A corporate event? A day out with friends and family? A special gift?

- Gear up for some serious fun
- Experience the thrills of the track in a two seater, high performance, Radical race car
- Let a professional driver take you on some unforgettable hot laps
- Think you can handle it? – find out when its 'your' turn in the driver's seat
- Take control with a professional as the instructor by your side
- Experience all the handling normally associated with a single seater

A 'must have' action packed driving experience at famous circuits around the country

Let JRigby-Racing in association with Hillspeed provide the bespoke package to suit your requirements.
